Portland District

PUBLIC NOTICE

ENVIRONMENTAL ASSESSMENT

NASELLE QUARRY DEVELOPMENT

PACIFIC COUNTY, WASHINGTON

CENWP-PM-E-04-12

Issue Date: November 2, 2004

Expiration Date: December 2, 2004

30 Day Notice

Interested parties are hereby notified that the U.S. Army Corps of Engineers (Corps), Portland District, proposes to re-open the Naselle Quarry for extraction of rock to be used in 2005 at the Mouth of the Columbia River jetties and for future use on an as-needed basis over perhaps the next 20 years. Planned work would involve timber clearing, overburden removal and storage, road realignment, drilling and blasting, rock extraction, and site reclamation.

Environmental Documents: A draft Environmental Assessment addressing the impacts associated with the activity is enclosed for public review and comment.

State Water Quality Certification: A 401 Water Quality Certification is not required as there will be no in-water fill associated with the project.

Coastal Zone Management Act of 1972: The project location is outside the Coastal Zone.

Additional Information and Comments: Questions or comments regarding the enclosed environmental documents should be directed to Steve Helm, Environmental Resources Branch, telephone (503) 808-4778, or at the address below. Comments on this notice must be mailed by the above closing date to:

District Engineer
U.S. Army Corps of Engineer District, Portland
Attn: CENWP-PM-E
P.O. Box 2946
Portland, Oregon 97208-2946

In your response, please refer to the above public notice number, title and date.

Should no response be received by the above closing date, a "no comment" response will be assumed.
